Maintenance and hygiene

From operation to maintenance, you'll find the FLAVIA® Creation 600 a breeze

Quick and easy to clean and maintain

Low noise technology minimises distraction in the workplace

No mess and no fuss as drinks are dispensed directly into the cup

Used Freshpacks™ are automatically ejected in to a waste container within or beneath the system

Built specifically for the highest possible levels of hygiene in the workplace

Low contact brewing - drinks are ready in just a few taps

Avoid break room backups - brew times in under a minute

Protected ingredients - each Freshpack™ remains sealed until the moment the drink is brewed

Single pack indulgence

The latest one pack specialities range effortlessly serves delicious indulgent drinks at the touch of a button, from a single Freshpack™

Meticulously crafted and tested by Lavazza coffee experts, enjoy luxurious Lavazza specialty drinks including Single Pack Latte, Cappuccino, Mocha and more.

Sealing in the freshness

Enjoy each delicious drink fresh from Bean to Pack to Cup, brewing directly in your cup with no cross-over of taste or allergens between drinks.

- Only fresh hot water makes contact with ingredients in a Freshpack™ avoiding ingredient and allergen cross-over
- Ingredients are protected from exposure to oxygen, moisture and the open air keeping your drink as fresh as possible
- Just the right volume of water, at the perfect temperature ensuring maximum flavour and reduces energy waste

Personalised ordering with the FLAVIA® Tap N'Brew app

Enjoy FLAVIA® favourites without touching the C600 brewer screen.

- HOW TO TAP N' BREW
1. Use the in-app scanner to scan the unique QR code on the brewer screen
 2. Follow the in-app prompts to select your drink
 3. Insert your Freshpack™ (after the brewer door automatically opens)
 4. Personalise your drink using the app
 5. Enjoy your fresh beverage!
